

-ESPRESSO AND ENCOUNTER-

An Espresso and Encounter outreach is designed to bless our college community with high-quality free espresso drinks, and an encounter with Jesus, which will lead them to salvation.

The purpose of giving out free espresso drinks is to create opportunities to interact with students to minister to them.

-START WITH PRAYER-

Gather together in pray and focus and posture your heart for dependency on God, allowing us to see from his perspective.

- Declare what the Lord is doing, ask God to highlight the needs to go after, how God views your campus?
- **IMPORTANT: when other team members show up to help minister after your prayer time, pull them aside, and give them vision for the outreach, and pray with them.**

-THE BASICS-

Common Questions	Did you minister to a student Follow Up!
<p>What is Chi Alpha ?</p> <p>*We are a <u>student family</u>, that is passionate about our devotion to Christ, and committed to making him famous on our campus</p> <p>When do we meet?</p> <p>*Invite them to your company, and through company encourage main gatherings!</p> <p>Denomination?</p> <p>*We are cross denominational, our student family consist of many different denominations</p>	<p>1st 24 hours- text them or call them and say something to the effect of- "it was great meeting you on campus today, I'm praying with you" or (if they decided to give their life to Jesus) <i>"I'm so excited about the choice you decided to make today, your life will never be the same. I'm here to walk this out with you. please call me if you need anything"</i></p> <p>2nd 72 hours- follow up call; is there anything I can pray for you?, prophesy, BRING THEM to your company</p>

It's NOT about how many ***free espresso's*** we can give out, or how many sign ups we can get, it's about ***releasing God's presence*** to your campus.
