---

---

18. What is your grade point average (GPA) \_\_\_\_\_

19. How many units do you plan on taking Spring semester? \_\_\_\_\_

# Expeditions Application

## Team Commitments

Please read through the following team commitments, in which are non-negotiable.

- Each team member raises a “team budget” not just a “personal budget” (no one's done until everyone's done). We will train and guide the entire team through collective and personal fundraising that requires 100% participation by every member.
- All Team Trainings are entirely mandatory. Every three weeks we will have Team Trainings (times will be decided upon as a team during our first training) and Expeditions Boot Camp (February 15th-17th) is mandatory. We only have 5-6 times together to bond and prepare as a team prior to our departure. You should be aware, this is no minor commitment. There will be additional expectations outside of the team trainings such as fundraisers and reading.
- It is our conviction that God won't change His mind just because finances, family, school or once life gets tough. Once your “yes” is stated for the team it is not an option to drop out. Once God has spoken to you and us— we believe He knows all things on the path.
- All members of our expedition teams are consistently a part of a company (peer mentorship relationship for spiritual growth). If you are not currently involved in one we will help you find one within Chi Alpha.
- It is important to know that we are not simply an expeditions sending agency. We are a campus ministry with a vision that pushes our movement beyond the borders of the campus and into the nations. It is expected that each expedition team member is involved in the life of the ministry, the body of Christ, and believe in the vision God has given us on campus as well as overseas. This includes, but is not limited to being a part of main gatherings, outreaches, and companies on your campus.

## Final Remarks

**It is your responsibility to have spoken with your parent or guardian about your intentions to go on a 2013 Expedition, prior to February 2nd.**

**If your parent or guardian would like to speak with a Chi Alpha Staff member in regards to questions or concerns, please fill out the following information below, and we will contact them between February 5th-7th.**

**Parent/Guardian name:** \_\_\_\_\_

**Primary phone #:** \_\_\_\_\_

**Best days and times to call:** \_\_\_\_\_

**These trips are as safe, if not more safe than any other overseas travel. The Assemblies of God is an organization covering and insurer of all overseas expeditions. It is one of the largest expedition sending agencies in the world. No one has ever died or been held captive as a result of expeditions under the Assemblies of God. If accepted, you would be fully equipped, trained, and insured by the proven leadership with the Assemblies of God prior to your expedition experience.**

**More detail and opportunity for any questions will be given during the mandatory informational meeting February 2, 2013, 3pm-5pm. Be sure to bring this filled out application and any questions you have. It will be held at 780 W. Monte Vista Ave, Turlock, Ca 95382.**

I \_\_\_\_\_, have read through and understand each team commitment. I have answered each question on this application truthfully. I also understand that turning in this application for Expeditions 2013 does not guarantee me a position on an expedition team, but my application will be reviewed for consideration of my placement of a team.
